

A black and white line drawing of a turkey, facing forward. The turkey's tail feathers are on the left, and its wings are on the right. In the center of its chest is a large, white circular sign with a black border. Inside the sign, the words "CLEVEIRS" and "OMMSECS" are written in a simple, hand-drawn, uppercase font, one above the other. The background is filled with intricate line art patterns, including swirls, dots, and floral-like motifs.
